- Options for Tribes

CONTAMINATION HISTORIES AND DATA

Non-existent

```
graph TD; A[Non-existent] --> B[Overly Broad]; B --> C[Insufficient Detail]; C --> D[Insufficient or No Interpretation];
```

A vertical flowchart with four green rounded rectangular boxes. The top box is light green and contains the text 'Non-existent'. Below it is a darker green box with 'Overly Broad'. The third box is a medium green with 'Insufficient Detail'. The bottom box is the darkest green with 'Insufficient or No Interpretation'. Three grey downward-pointing arrows connect the boxes from top to bottom.

Overly Broad

Insufficient Detail

Insufficient or No Interpretation

CLEAR PROCESSES AND NEXT STEPS

Respectful Repatriation
